

JÉRÉMY GOILLOT

Passionated by Growth Hacking and by the entrepreneurship dynamic of Startups, I am always looking for new challenges. I mainly gained my experiences in web by myself and through intensive coding bootcamp. My competences were enriched by my studies in INSEEC Business School but also through my different professional experiences in France and in foreign countries.

EXPERIENCE

- IoT Valley, Toulouse (France)
2016
Business Process Officer – 4 months
 - Created a recruitment platform for the whole IoT Valley Startups
 - Elaborated a sourcing strategy for the IoT European Startups
 - Improved the internal communication processes within the ecosystem
- Suzlon Group, Pune (India)
2015
CSR Marketing & Communications Assistant – 4 months
 - Researched and analyzed datas to calculate the Suzlon Environmental Footprint
 - Represented Suzlon Group during external events for the CSR department
 - Updated documents and CSR contents for the internal and external stakeholders
- Selektek, Bordeaux (France)
2015
Business Developer – 4 months
 - Created a musical database with journalists and influencers to propose a wide range of contents and partnerships
 - Implemented a platform for musical influencers that deal with their needs

EDUCATION

- INSEEC, Bordeaux (France)
2013 - 2017
Bachelor of Business Administration (BBA)
The program meets both the needs of companies looking for international and operational profiles and aspirations of students into multicultural education courses, rooted in the real world of business and finance.
- INSIGNIS, San Francisco
2016
Exchange Program - Spring Semester
This program, at the heart of the Silicon Valley, focused on the digital and fintech innovations with a headline on Lean Startup Mindset. The meetings I had with the main actors of the Silicon Valley were enriching.
- Le Wagon, Bordeaux (France)
2016
Summer Coding Bootcamp
Le Wagon is a 9 week coding bootcamp for creative people.
I gained full stack web developers skills (Ruby on Rails / JavaScript).
